**Be the Bridge** Latasha Morrison, 2019-10-15 NEW YORK TIMES BESTSELLER • ECPA BESTSELLER • “When it comes to the intersection of race, privilege, justice, and the church, Tasha is without question my best teacher. Be the Bridge is THE tool I wish to put in every set of hands.”—Jen Hatmaker WINNER OF THE CHRISTIAN BOOK AWARD® • Winner of the Christianity Today Book Award • A leading advocate for racial reconciliation calls Christians to move toward deeper understanding in the midst of a divisive culture. In an era where we seem to be increasingly divided along racial lines, many are hesitant to step into the gap, fearful of saying or doing the wrong thing. At times the silence, particularly within the church, seems deafening. But change begins with an honest conversation among a group of Christians willing to give a voice to unspoken hurts, hidden fears, and mounting tensions. These ongoing dialogues have formed the foundation of a global movement called Be the Bridge—a nonprofit organization whose goal is to equip the church to have a distinctive and transformative response to racism and racial division. In this perspective-shifting book, founder Latasha Morrison shows how you can participate in this incredible work and replicate it in your own community. With conviction and grace, she examines the historical complexities of racism. She expertly applies biblical principles, such as lamentation, confession, and forgiveness, to lay the framework for restoration. Along with prayers, discussion questions, and other resources to enhance group engagement, Be the Bridge presents a compelling vision of what it means for every follower of Jesus to become a bridge builder—committed to pursuing justice and racial unity in light of the gospel.

whole foods and bringing community together.”—Kelly LeVeque, celebrity nutritionist and bestselling author of *Body Love*

Food writer and health blogger Liz Moody once followed trendy diets and ate solely for fuel, not for flavor. That changed when she met her soon-to-be-boyfriend and they started cooking nutrient- and vegetable-rich meals. She not only fell in love with food again, but she also discovered that setting goals and sticking to them is easier and more gratifying when paired with someone else. Mincing garlic and sautéing onions together eventually led the couple to marriage—proving that good food really is the universal connector! These 100+ flavor-packed recipes are designed to be cooked and enjoyed by two people, plus they’re all gluten-free, dairy-free, and plant-centered. They include homemade alternatives for all the foods you love to share, such as brunch, takeout, and sweet treats. Indulge in Cardamom Banana Bread Pancakes with Candied Coffee Walnuts, Cornflake “Fried” Chicken, General Tso’s Cauliflower, and Chocolate Tahini Brownie Bites. Pick your partner—near or far—and get ready to get healthy. Praise for *Healthier Together* “This cookbook is one you’ll be reaching for time and time again when you need healthy food that is satisfying and delicious.”—Tieghan Gerard “Liz Moody offers heaps of tasty recipes packed with great ingredients.”—Real Simple “*Healthier Together* is a brilliant concept! Cooking with a friend/partner/mom is so much better than cooking alone, plus having a partner will keep you both accountable on your healthy eating journey.”—Gina Homolka “Liz does an amazing job helping you make delicious food in a way that is both feasible and fun.”—Rachel Mansfield “Liz’s book overflows with food made to share, healthy but with all the comfort and flavor that brings happy people around the table.”—Daphne Oz “Liz’s message is profound, yet so simple . . . you need to have both whole foods and whole, real relationships to truly be healthy and happy. This book makes eating healthy a celebration, not a sacrifice, and it brings an arsenal of fresh and flavorful recipes that are fun to make and eat!”—Jeanine Donofrio

Determined not to let another man hurt her, she even ordered a .38 caliber handgun after an argument with her latest boyfriend almost turned violent. Now she carries it everywhere, just in case. As if on autopilot, Rose spends her days at work and then at the Royal, a familiar haunt where she knocks back one drink after another, sometimes with her best friend Marie-Jeanne. And then a sudden accident brings Luc into the bar, and Rose decides to give love one last chance.

and mental challenges thrown at her by cancer and provides an honest insight into the treatment given to a breast cancer patient together with the impact that this has on someone's life. *The Responsible Company* Yvon Chouinard, Vincent Stanley, 2013-10-06 *The Responsible Company*, by Yvon Chouinard, founder and owner of Patagonia, and Vincent Stanley, co-editor of its *Footprint Chronicles*, draw on the their 40 years' experience at Patagonia - and knowledge of current efforts by other companies - to articulate the elements of responsible business for our time. Patagonia, named by *Fortune* in 2007 as the coolest company on the planet, has earned a reputation as much for its ground-breaking environmental and social practices as for the quality of its clothes. In this exceptionally frank account, Chouinard and Stanley recount how the company and its culture gained the confidence, by step and misstep, to make its work progressively more responsible, and to ultimately share its discoveries with companies as large as Wal-Mart or as small as the corner bakery. In plain, compelling prose, the authors describe the current impact of manufacturing and commerce on the planet's natural systems and human communities, and how that impact now forces business to change its ways. *The Responsible Company* shows companies how to reduce the harm they cause, improve the quality of their business, and provide the kind of meaningful work everyone seeks. It concludes with specific, practical steps every business can undertake, as well as advice on what to do, in what order. This is the first book to show companies how to thread their way through economic sea change and slow the drift toward ecological bankruptcy. Its advice is simple but powerful: reduce your environmental footprint (and its skyrocketing cost), make legitimate products that last, reclaim deep knowledge of your business and its supply chain to make the most of opportunities in the years to come, and earn the trust you'll need by treating your workers, customers and communities with respect.

Wilson, 2016-03-07 An audacious and concrete proposal...Half-Earth completes the 86-year-old Wilson's valedictory trilogy on the human animal and our place on the planet. —Jedediah Purdy, *New Republic* In his most urgent book to date, Pulitzer Prize-winning author and world-renowned biologist Edward O. Wilson states that in order to stave off the mass extinction of species, including our own, we must move swiftly to preserve the biodiversity of our planet. In this visionary blueprint for saving the planet (Stephen Greenblatt), Half-Earth argues that the situation facing us is too large to be solved piecemeal and proposes a solution commensurate with the magnitude of the problem: dedicate fully half the surface of the Earth to nature. Identifying actual regions of the planet that can still be reclaimed—such as the California redwood forest, the Amazon River basin, and grasslands of the Serengeti, among others—Wilson puts aside the prevailing pessimism of our times and speaks with a humane eloquence which calls to us all (Oliver Sacks).

**The Other Within** Daniel Deardorff, 2018-08-14 Daniel Deardorff knows otherness firsthand. This highly regarded “singer” in the old sense of that word—musician, storyteller, maker of ritual—had polio as an infant and has used a wheelchair most of his life, giving him a lived perspective that deeply informs his views on this subject. In *The Other Within*, Deardorff starts with a radical notion: to disclose the blessings of outsiderhood, the many gifts and insights contributed to culture by the marginalized and outcast. Unlike studies that stress the plight of the outsider, this one asserts that to be cast down and out of the consensus-worldview affords a difficult yet significant opportunity: to encounter oneself, not as defined by society but as one actually is. An eloquent spokesman for “the man or woman on the weird road,” Deardorff presents dozens of powerful examples from myth and literature to illustrate his message in a richly allusive, complex series of essays. Drawing on the work of mythologists, poets, psychologists, and scholars, *The Other Within* takes readers on an initiatory journey, uncovering the roots of human identity and imagination and offering insights—including “trickster wisdom”—revealing the mythic underpinnings of everyday life. This second edition includes updated text, a new introduction, and a helpful glossary.
